

**ENTERING A DECADE OF NEW AND
INNOVATIVE GROWTH: A HOLISTIC
APPROACH TO LAND MANAGEMENT AT
THE INCARNATION CENTER**

AHKI CONSULTING

**CAITLIN CUSACK, LUCAS KNOWLES, ANDREW MACKIE,
KYLE MEISTER, JEFFREY ROSS, & CHISATO TOMIMURA**

**YALE UNIVERSITY SCHOOL OF FORESTRY AND ENVIRONMENTAL STUDIES
January 30, 2008**

Table of Contents

I. Executive Summary.....	1
II. Introduction.....	4
A. The Incarnation Center Property	4
B. The History of the Incarnation Center Property	5
1. Historical Context	5
2. Forest History.....	6
3. Current Context.....	7
C. Goals and Objectives of this Management Plan	9
III. Biophysical Analysis of the Incarnation Center Property	11
A. The Climate at Incarnation Center.....	11
1. Temperature	11
2. Precipitation	11
3. Weather Hazards.....	12
B. Geography and Topography	14
C. Geology.....	15
1. Background.....	15
2. Bedrock Geology	15
3. Glacial Depositions and Surficial Geology.....	16
D. Soils	18
1. Background.....	18
2. Parent Material of the Incarnation Center.....	18
3. Soil Formation	20
4. Soil Function.....	20
5. General Distribution of Soils on Incarnation Center’s Property.....	21
E. Hydrology.....	24
1. The Hydrology of the Incarnation Center Property	24
F. Vegetative Analysis	27
1. Background and Methodology.....	27
2. Stand 1	30
3. Stand 2	30
4. Stand 3	32
5. Stand 4	33
6. Stand 5	34
7. Stand 6	34
8. Stand 7	35
9. Stand 8	36
10. Stand 9	37
11. Stand 10	38
12. Stand 11	38
13. Stand 12	38
14. Stand 13	38
15. Aquatic Vegetation	39

G. Wildlife Habitat	41
1. Lacustrine and Riverine Habitats.....	41
2. Bushy Hill Lake	42
3. Ponds.....	44
4. Streams.....	44
5. Wetlands	46
6. Other Forested Wetlands.....	48
7. Scrub-Shrub Wetlands	48
8. Vernal Pools.....	48
9. Deciduous Forest	50
10. Coniferous Forest.....	51
11. Rock Outcrops, Cliffs, and Ledges	52
12. Snags	52
13. Coarse Woody Debris	53
14. Remote Cameras	53
15. Area-Dependent Wildlife.....	54
16. Endangered, Threatened, and Species of Special Concern.....	55
H. Invasive Species.....	58
IV. Incarnation Center Social Assessment.....	61
A. Overview of the Incarnation Center Property Stakeholders	62
1. Church of the Incarnation	62
2. The Incarnation Center Board of Directors	62
3. The Incarnation Center Administration	63
4. Incarnation Camp.....	63
5. Bushy Hill Nature Center.....	64
6. Nature’s Playground	65
7. Incarnation Conference Center	66
8. Nature’s Classroom.....	66
9. Haynes Aggregates, LLC.....	67
10. SX Sportsmen	67
11. The Town of Deep River	68
12. Deep River Land Trust.....	69
13. The Town of Essex	69
14. Essex Land Trust.....	70
15. Connecticut River Estuary Regional Planning Agency (CRERPA)....	70
16. The Local Community	71
17. Public Recreationalists.....	72
B. Use of the Property	73
1. Nature’s Classroom.....	77
2. Bushy Hill Nature Center.....	77
3. Nature’s Classroom and Bushy Hill Nature Center Program Needs ...	78
4. Summary	79
C. Other Considerations	80
1. The Regional Context	80

V. Management Recommendations.....	82
A. Strategic Objective 1: Protect and Enhance the Ecological Integrity of the Property.....	82
1. Protect the Water Quality of Lacustrine and Riverine Systems	82
2. Protect Groundwater Quality	86
3. Conserve and Protect Ecological Reserves for Rare and Endangered Species and Unique Features	88
4. Protect and Enhance Wildlife Habitat and Resources	93
B. Strategic Objective 2: Ensure High Quality Timber Management.....	96
1. Identify Program, Conservation, and Timber-Production Areas	97
2. Ensure Worker Safety in Tree Harvesting	106
3. Follow Best Management Practices when Harvesting in Wet Areas	106
4. Select Low-Quality Trees for Firewood	107
5. Preserve Eastern Hemlocks and Maintain White Pine Stand	107
6. Pile Slash After Logging Operations and Avoid Over-Harvesting Downed Wood for Campfires.....	107
7. Leaves Snags for Wildlife During Timber Harvesting	107
8. Maintain a 100-400 Foot Critical Terrestrial Habitat Zone Around Vernal Pools and Other Wetland Features.....	108
9. Investigate Value-Added Timber Markets.....	108
C. Strategic Objective 3: Continue to Provide and Enhance Quality Educational Experiences at Incarnation Center	110
1. Protect Key Areas for Environmental Education.....	110
2. Engage Bushy Hill Nature Center and Nature’s Classroom in Land Management Decisions and Restoration Activities	111
D. Strategic Objective 4: Restore Degraded Features on the Landscape	113
1. Implement Best Management Practices for Rehabilitation of all Future Quarry Operations	113
2. Restore Highly Impacted Areas on the Property	114
E. Strategic Objective 5: Consider Long-Term Impacts of Development Activities	119
1. Recommendations for Ongoing Development Projects.....	119
2. Future Development Activities	120
F. Strategic Objective 6: Protect and Enhance Open Space	123
1. Integrate Conservation and Sustainable Land Management into Incarnation Center’s Planning Process	123
2. Continue to Recognize the Incarnation Center’s Role as a Steward of the Land and Foster the Incarnation Property as a Place for Personal and Spiritual Sanctuary	123
3. Investigate Creative Ways to Maintain the Current Land Base While Generating Revenue for Incarnation Center Operations.....	124
