I understand that tuition is to be paid in full prior to each month's attendance and failure to do so may result in the dismissal of my child from the Nature's Playground after school program. Payment is due on the 15th of every month and a \$25 late fee will be incurred if payment is handed in after the 20th of each month.

I understand that I must pickup my child from Nature's Playground by 6:00pm. If I am running late, I will make every effort to call the camp cell phone: 860-395-9794. After one late pickup, any other late pickups will be charged \$3.00 per minute after 6:00pm.

I give Nature's Playground staff permission to administer basic first aid to my child: band aids, minor scrapes, ice packs, etc. I also understand and agree to staff calling 911 in case of emergencies with my child and pay any fees associated with such a call. I give my child permission to participate in field trips while at Nature's Playground After School to the following areas:

- Wigwam/Stream; where my child is allowed, with boots or old sneakers on, to play in the stream.
- Pond; where my child is allowed, with boots or old sneakers on, to fish, catch frogs, and play in the pond area (no swimming).

Our supervision policy in these field trip areas is as follows:

1. We will maintain a 1:6 staff to child ratio in these areas

# Policies

Child's Full Name: \_\_\_\_\_ Birthdate: \_\_\_\_\_

**Late pickup policy:** If a child has not been picked up by 6:00pm, a staff member will attempt to call the child's caregivers at all numbers listed. If no family member can be reached, the staff member will attempt to call the emergency and alternate numbers listed in the child's registration packet. If nobody has been reached by 6:15pm, the Deep River police and/or Troop F in Westbrook will be called. At that time, the child may be released to the police. Two staff members at least 18 years of age or older will remain with the child at all times.

**Behavior and Discipline Policy:** Behavior Management/ Discipline Policy of Nature's Playground advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention, and the development of self-discipline. Remind students that our rules are established for safety and to ensure that we have a common standard of behavior. As staff members, we need to show the students that we see the need for following the rules ourselves. Do not contradict the established guidelines.

Corrective discipline must be a creative, caring effort on the part of the staff member, and it must be seen as such by the student. Always suggest positive alternatives to unacceptable behavior before it gets out of control.

1. Discuss rules with students and identify out-of-bounds areas.
2. Discuss the possible consequences of breaking rules:
  - a. Quiet time
  - b. Restriction from activity
  - c. Restriction to adult supervision
  - d. Conference with director
  - e. Conference with parent and director
  - f. Removal from program
3. Enforce all rules at all times, without malice, and be consistent in application.
4. Inform the director of all disciplinary measures.
5. Never allow discipline to include depriving a student of sleep, food, or restroom privileges, placing a student alone without supervision, or subjecting a student to ridicule, shaming, threat, corporal punishment (striking, biting, kicking, squeezing), washing out the mouth, or physical exercise or restraint.
6. Conduct a periodic evaluation of the program/staff/student groups to ensure that the environment is not contributing to behavior problems.

**Changes to your child's regularly scheduled day:** If you wish to change your child's regular days, either temporarily or permanently, please contact the business office as soon as possible. This will ensure you do not get charged extra for drop-in days.

Email Luigi at [lscal@incarnationcenter.org](mailto:lscal@incarnationcenter.org) to request any day changes or day cancellations. This information will then be passed on to the director and teachers. I have discussed these policies with the director in person or had the opportunity to discuss these policies with the director in person.

## Health Assessment Record

To Parent or Guardian:

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part II).

State law requires complete primary immunizations and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse or registered nurse, licensed pursuant to chapter 378, a physi-

cian assistant, licensed pursuant to chapter 370, a school medical advisor, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to school entrance in Connecticut (C.G.S. Secs. 10-204a and 10-206). An immunization update and additional health assessments are required in the 6th or 7th grade and in the 9th or 10th grade. Specific grade level will be determined by the local board of education. This form may also be used for health assessments required every year for students participating on sports teams.
