Alumni Weekend Information

Check-In Times

C'mon over to the check-in table to let us know that you're here, to get your room assignment (if you're staying in a building) and to get the weekend schedule. Since we know that folks will arrive at various times throughout the weekend, we will have three check-in opportunities:

- Friday 5pm - 8pm at the Welcome Center
- Saturday 8am - 10:45am on Gibney Deck

If you arrive outside of one of those windows please feel free to set your stuff down and check-in with a staff member later. **If you are staying in a building, the last name that your reservation is under will be listed on your door.**

Please note that check out on Sunday is at 12pm. Guests staying in buildings must be out of their rooms by 10am. Thank you!

Vehicles

Once you arrive at Camp we ask that you 'park it and leave it' (preferably up top by the Conference Center) for the duration of your stay. If you have mobility issues please speak to one of the Camp Staff and we will arrange to get you where you need to be safely. Unless you are given permission for accessibility reasons, please do not drive your personal vehicle around camp.

Accommodations

If you are staying in a building, you will receive your room assignment at check-in and your name will be on your door.

If you will be staying in a tent for the weekend, feel free to select your own tent. Please note, each tent sleeps at least four people- please anticipate sharing.

Winds and Woodlands are our designated families with kids “quiet” units where we ask that anyone staying in these units agree to quiet hours after 10:30pm.

Linens are provided for people staying in the Lodge, Brooks, and Bell buildings. If you are staying in a tent, don't forget to pack your own bedding and/or a sleeping bag!

Camper Care

During Alumni Weekend, all of our activity periods offered are for both children and adults. If you wish to send your campers to these activities alone, please escort them to the designated meeting point and please be there to collect them at the end of the period. On Saturday night we are offering camper care during the evening activities which we hope will expose kids to fun Camp activities and counselors!

Summary: Evening activities for campers are on Pequot Field (before dinner starting at 4:30) and in Gibney (after dinner). Let your kids hang out with our wonderful counselors and play games as you dance the night away on Pequot beach. If your camper is participating in the evening activities, please collect them from the chapel promptly at 10 pm.

No Pets Permitted

We all love pets, but we would love it if you would leave them at home for the weekend. Pets are not permitted in our buildings at any time.
